ACAC 2006-07 MEN'S & WOMEN'S BASKETBALL COACHES OF THE YEAR

The Alberta Colleges Athletic Conference is pleased to announce the 2006-7 ACAC Coaches of the Year:

ACAC MEN'S BASKETBALL Chuma Nwobosi, NAIT

Chuma is currently in his 3rd year as head coach of the Oaks after serving as an assistant for 2 years. The Oaks finished the season 3rd in the North division with a record of 16-10.

As a player, Nwobosi began his career at The King's University College before playing for the Langara Falcons, the Humber Hawks and the MacEwan Griffins.

Chuma's role as a coach goes far beyond the technicalities of the game of basketball. Nwobosi serves as a mentor to his team as he facilitates several non-basketball functions throughout the year and tutors his athletes who are having difficulties in their studies.

Coch Nwobosi credits his present coaching successes to his hard-working coaching staff, the tireless efforts of his players and the tremendous coaching role models he has encountered throughout his life.

Congratulations Chuma on your Award!

ACAC WOMEN'S BASKETBALL Todd Warnick, CUCA

Todd Warnick is in his first year as coach of the Thunder women's basketball team after coaching the last five years at Malaspina College in BC.

By accepting the coaching position at CUCA, Todd knew he would be coming to a program that had experienced recent success and to continue the tradition would be a challenge. After a semester of adjustment for both the athletes and himself, the Thunder proceeded to go undefeated in the second semester, securing a playoff position.

Todd, NCCP Level III certified, established himself as a player's coach who encouraged his team to work hard and overcome the challenges faced early in the season. As a very sound technical coach, he continually provided his expertise to assist the personal development of every athlete on the team.

With Todd at the helm, the future appears to be very bright for the women's basketball program.

Congratulations Todd on your Award!
